Bike Registration

The Police Department does not have a bike identification program. However, we recommend you follow these steps:

1. Take a picture of your bike.
2. Record on the back of your photo the serial number, make and model, style (boys/girls), and inches.
3. Keep this photo in a secure place at home.

What happens if my bike is stolen?

If your bike is stolen, please call police dispatch at (651) 439-9381 to file a police report. When calling dispatch please have this completed form ready:

The information you provide allows the police to enter your bike information into a national database so it can be returned to you when it is recovered.

Where do I find the serial number?
